Enclosures No.

General No. 544
No. 162 } 1879—80.

Has the honor to submit for correction a Monthly Stipend order for 1879 drawn by the Manager of Sadoo Mohamedan Mosjid in the East of Nolar, the amount of Stipend therein entered as 2-6-8 being wrong. The Monthly Stipend should be 1-2-4 as entered in the accompanying Register issued to the party by the Dwarf Department and to this is subsequently added to the late Kandy by Commissioner with this Office No. 1912/613 dated 30th November 76.

Dy Commissioner
Nolar district

7th Dec 15 [illegible]

In this statement forwarded by the Dy Commr. of the Commr. with No 1912/613 dated 30th Nov 1876, the monthly allowance entered for the "Nolar Fort Abdul Rahaman's Mosjeed" is 1-2-4, and it is not known under what circumstances, 2-6-8 was shewn in the Stipend order which is dated 22nd January 1877— the Imam's Deed is dated 1st October 1873. Before making the alteration an enquiry may be made, what amount 1-2-4 or 2-6-8 is now made, & in the case of the latter, whether the proper allowance due to any other "Mosjeed" was reduced, and why the mistake was not noticed till now—

The Asst Commissioner is requested to report at what rate the money grant has hitherto been paid and from what date, and if the larger amount has been paid explain why the error has not been detected earlier and whether the whole register of the charge has been examined to satisfy himself that there are no other cases of [illegible] similar erroneous payments

I have the honor to state, that the money grant referred to in the above, has always been paid up to date at 1-2-4 per measure, and never at the rate of 2-6-8 as erroneously entered in the stipend order, and that no other similar mistake has been discovered on comparing this Office list of Mudzrai Stipends with the Title Deed Register of Ready Money Inams furnished by the Inam Department.
